

Studio XIXI Hand Calligraphy Styles

STYLE NO. 1

Elizabeth — Traditional Copperplate

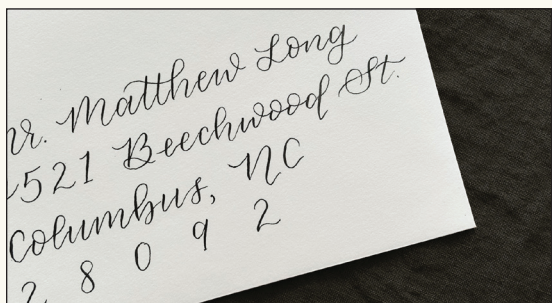

Elizabeth is the embodiment of the time honored tradition of formal correspondence. Generally executed with a traditional dip pen and nib, popular in gold, black, white, walnut, and available in a variety of tonal inks.

STYLE NO. 2

Eleanor — Graceful Modern

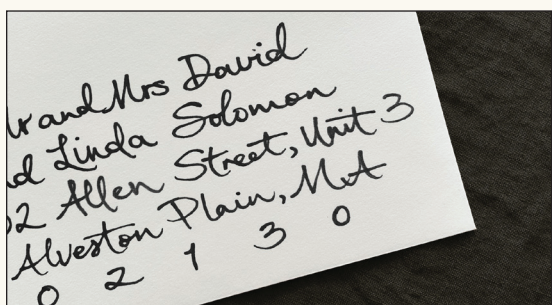

Elegant and graceful, this pointed pen script features a gentle bounce and a timeless class in her slant. Plays well with a wide range of inks and especially delightful when paired with unexpected color.

STYLE NO. 3

Emma — Delightful Charm

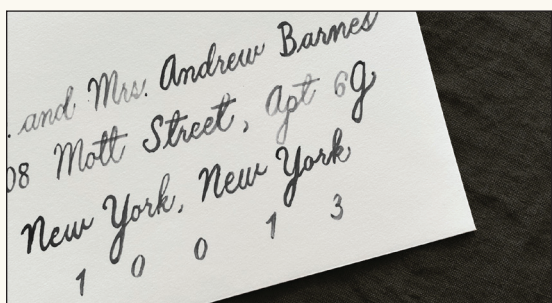

Emma is a delightfully bouncy hand with a bright personality. Pairs well with a dip pen and nib or with a paint pen.

STYLE NO. 4

Ellie — Playful Whimsy

Ellie is easygoing and loads of fun. Charming and endearing, this hand-lettered script is often executed with a brush and watercolor inks, or with a paint pen for bold color.

STYLE NO. 5

Emilie — Lively Modern

Emilie is carefree and friendly. Popular for destination weddings and nature-centric events, this pleasant handwritten script may be our most flexible, pairing well with a traditional nib pen as well as watercolor brush and paint pen approaches.

Studio XIXI Hand Calligraphy Pricing

These are the starting service rates for common calligraphy projects. Service rates are subject to change based on type of material, size, other design elements, etc.

Service rates **do not** include paper or other applicable material costs. For a quote inclusive of materials, (e.g. paper placecards, addressing with envelopes, wooden or paper signs), please let us know.

For projects not specified in this pricing document, please inquire for a custom quote.

General Service Fees

All projects are subject to a set-up fee.

SETUP FEE
<i>Applicable to all calligraphy projects</i>
\$75.00

Most ink colors do not require custom ink mixing. However, in cases of a specific color match or an uncommon shade or color, we may have to custom mix an ink for you.

CUSTOM PAINT MIXING FEE
<i>For custom colors or specific color matches</i>
\$50.00

If you are looking to have a calligraphy project completed on something **other than** paper, please inquire to discuss if we have previous familiarity with the desired material. For writing surfaces we have not worked with before, we request a sample to be shipped to our studio so we may test our tools. We charge a separate testing fee for unfamiliar materials before we accept a calligraphy project to ensure that we can complete your project.

Price includes shipping fees back to the client.

TESTING FEE
<i>For unfamiliar calligraphy surfaces</i>
\$50.00
